Agenda Item	Brief Description of the issue	Opinion of SVC	Decision of SLC										
3	<p>M/s My Home Industries Ltd., Unit –II Mulakalapalli (V), Yelamanchi (M), Visakhapatnam District:</p> <p>Issue: Decision on considering it as a Separate unit or an expansion project, in view of both the units has the common facilities.</p>	The SVC has examined the matter and discussed in detail and decided to recommend to SLC for sanction of eligible incentives treating as expansion project , since both the units have the common facilities.	<p>The SLC examined the issue in detail and agreed to sanction the following incentives:</p> <ol style="list-style-type: none"> 1. Reimbursement of Power cost - Rs.8,67,270/- for the year 2014-15. 2. Reimbursement of Sales Tax - Rs.1,21,165/- for the year 2012-13. 3. Reimbursement of Sales Tax - Rs.66,56,708/- for the year 2014-15. <p>Further, SLC observed that only eligible sales tax reimbursement against the tax paid in residual A.P. shall be paid by A.P. Government as per procedure laid down in A.P.State Reorganisation Act.</p> <p>The unit has paid the taxes in Nalgonda, Telangana State upto 1st June, 2014.</p> <p>Hence, SLC decided to ask the Commercial Tax Department to clarify how the funds shall be shared by the State of A.P and Telangana for releasing the funds.</p>										
4	<p>M/s. Aurabindo Pharma Ltd.(Unit-XI expansion), Pydibheemavaram (V), Ranstalam (M), Srikakulam District:</p> <p>Issue: Clarification on considering the enhancement of turnover in lieu of capacity, as the then In charge GM, while processing 1st half year claim of power cost expressed doubt on increase of installed capacity and referred to District collector without informing to the COI.</p>	The SVC has discussed the issue in detail and decided to recommend to SLC to allow the unit as an expansion project for sanction of incentives since the unit has achieved 25% enhancement in terms of investment, turn over, tax, employment etc. and as the installed capacity is not ascertained in terms of production capacity, since the unit is producing multi products and they manufacture made to order and the same will change from time to time based on the demand in the market as the production process of each item varies.	The SLC discussed the issue in detail and interacted with the representative of the industry. The SLC agreed with the opinion of SVC to allow the unit as an expansion project for sanction of incentives and advised the General Manager, District Industries Centre, Srikakulam District to process the pending claim applications accordingly.										
5	<p>M/s SBQ Steels Ltd., Ankalapururu (V), Chilakuru Mandal, SPSR Nellore District.</p> <p>Issue:Condonation of break in production from 01.01.2014 to 31.03.2015</p>	The SVC has examined the issue and decided to recommend to SLC to constitute a committee with the following members to inspect the unit physically and report after ascertaining that whether the unit has restated the production with full fledged or any chance going out of production:	<p>The SLC discussed the matter in detail, interacted with the representatives of the Company. The representative of the Company was unable to evince the concrete reasons, rather than the general issues to condone the break in production. As the representatives are unable reveal the reasons of beyond their control, the SLC not agreed to condone the break in production.</p> <p>However as per the operational guidelines IIPP 2010-15 at para No.16.0 "Any break-in-production will result in extending the Continuous production period requirement is six (6) by the period of such break."</p> <p>The Committee decided to extend, the break in production period (01.01.2014 to 31.03.2015) i.e 15 months, beyond eight years period from DCP.</p>										
6	<p>M/s. Vasundhara Cotton Mills Private Limited (Expansion), Boyapalem (V), Edlapadu (M), Guntur district .</p> <p>Issue: In earlier proposal the GM informed Investment in expansion only Rs 465 Cr (19.99%) and recommended for consideration as there is no sufficient place in existing building for expansion, keeping huge employment opportunities. The same was placed in SLC meeting and recommended to Govt for consideration. Now GM, furnished proposals informing that in earlier proposal additional structure was not included , and with the cost of the additional structure increase of Investment is 26.41% hence, recommended</p>	The SVC discussed the issue in detail and decided to recommend to SLC to consider the unit for sanction of incentives treating as expansion project, since the unit has fulfilled the condition of 25% enhancement on investment (25%) as well as installed capacity (26.41%), as the then General Manager, District Industries Centre, Guntur District has not considered the value of civil works completed. It is observed that the Financial Institution has also sanctioned Term Loan to a tune of Rs.1.15 crores to the unit holder and the present General Manager, District Industries Centre, Guntur District has reported that the unit was inspected on 03/10/2017 and found that the additional structures were completed as indicated in the plan, approved by the Factories Department and found tallied in on ground.	<p>The SLC discussed the matter in detail and interacted with the representative of the Company and the GM, DIC, Guntur district.</p> <p>SLC observed that as per the earlier decision the matter was referred to the Government but no communication was received. Hence the sanctioned amount to the expansion project also recovered from the Investment Subsidy claim of their Wind power project.</p> <p>It is also observed that the GM, DIC, Guntur district has furnished his recommendation contradicting the first recommendation, without the directions of the COI. Hence his recommendation in the second time report is treated as and void. Further the GM, DIC, Guntur district was warned and directed not to furnish such reports on his own.</p> <p>In view of the above SLC decided to take the decision on receipt of the Government orders.</p>

In view of the above, SLC decided to request the Government to issue necessary guidelines / instructions, as the SLC is not the Competent Authority to take a decision on sanction of such packages.

The supplies of clinker by Mattampally unit to Kondapally unit is not sale. The dealer should be allowed to get reimbursement of sale tax paid on the additional tax paid on the additional turnover as allowed under policy as per existing rules."
