Dear Sir,

Sub: Comprehensive list of approvals required for setting up industry under Ease of Doing Business in Andhra Pradesh.

Andhra Pradesh is committed to improve the Ease of Doing Business environment in the state and has taken many initiatives to this effect. One such initiative is online and updated availability of information to investors.

The list of comprehensive approvals for setting up an industry can be accessed at www.apindustries.gov.in. The list has been collated in consultation with all the concerned Departments and entrepreneurs and no other mandatory approval is required for setting up an industry in the state.

The Government of Andhra Pradesh is engaged in a continuous process of simplifying business rules and the stated list of approvals may undergo revision in the future. These changes would be communicated to investors and government stakeholders on a periodic basis and would be updated on the AP Industries portal.

with Regards,

Yours sincerely,

(SOLOMON AROKIAraj)
